Preduslovi:

- ✧ Iz vašeg POS programa ili iz MetaLINK-MENU:
Zatvoriti DAN, odnosno zadnji radni dan u decembru, tj. 30. ili 31.12.2013.
- ✧ Uraditi mesečni izveštaj ili tromesečni izveštaj.
- ✧ Isključite MetaLINK ili mrsEPOS

UPUTSTVO ZA KORIŠĆENJE

Pritisnite 0. Izaberi FP (iz liste)

Pritisnite 1. Pročitaj vreme iz FP

Ovim proveravate da je FP povezan na ispravan ComPort.
Podrazumeva se da je FP povezan na ComPort=COM1.
Ukoliko je Vaš FP povezan na drugi port (vidi LINK.INI) promenite.

Pritisnite 2. Promeni 8% na 10%

Pritisnite 3. Štampaj X-Report (presek stanja)

Uverite se da je na X report sada E = 10%

Startujte MetaLINK or mrsEPOS.

pozdrav

Naša preporuka :

**zbog najavljenih promena Zakona u 2014,
i pojave novih modela FP na tržištu
PREĐITE ŠTO PRE NA MetaLINK r9.1**

Change Tax Group E = "4", from 8% to 10%

Introduction:

- ✧ Program is freeware.
- ✧ Program is stand alone (no install, no lib)
- ✧ Program can be unzipped and executed from any folder on PC where FP is connected.
Recommend: start it from C:/metaline/run
- ✧ Valid MetaLINK licence for FP is required.
- ✧ Program MetaLINK stay as is.
You "send" as before for Tax E = "4"
- ✧ Program can not be executed before
1.1.2014 00:01

Precondition:

- ✧ From your POS program or from MetaLINK-MENU:
Close a Day (ZET report), incl. last working day in Dec, ti. 30. or 31.12.2013.
- ✧ Run monthly report for Dec, or quartely Report
- ✧ Switch off MetaLINK or mrsEPOS

USERS GUIDE

Press 0. Select FP (from list).

Press 1. Read Date&Time from FP.

You only check if FP is connected to correct ComPort.
By default programm is set to use ComPort=COM1.
If your FP is connected to another Comport (See LINK.INI) please change

Press 2. Change 8% to 10%

Press 3. Print X report

See if on X report is now E = 10%

Start MetaLINK or mrsEPOS.
